

**Forum: Metrology – Trade Facilitator
Request for support**

EGYPT

Core Problem:

No facilities for the calibration of:

- gas flow meters;
- weighs more than 20 kgm;
- electrical energy power meters in EOS calibration laboratories.

EOS calibration laboratories are not able to fulfil Metrology tasks.

Significance of the problem:

EOS calibration laboratories are not able to issue either calibration certificates or calibration third party certificates for the above-mentioned items.

What is needed:

Calibration system for calibration of:

- gas flow meters;
- weighs more than 20 kgm;
- electrical energy power meters.

Contributions:

Contribution of a maximum of 30 % of the total cost.

Whom to address:

During the Forum:

Egyptian Organization for Standardization and Quality Control (EOS)

After the Forum:
